

Introducing the Avante™ Collection

Innovative design combines aluminum and glass to create a sleek, modern look. Available in a variety of aluminum frame finish options to match your home color scheme. Many window options available to provide privacy, full or partial viewing.

THE MARRIAGE OF FORM AND FUNCTION

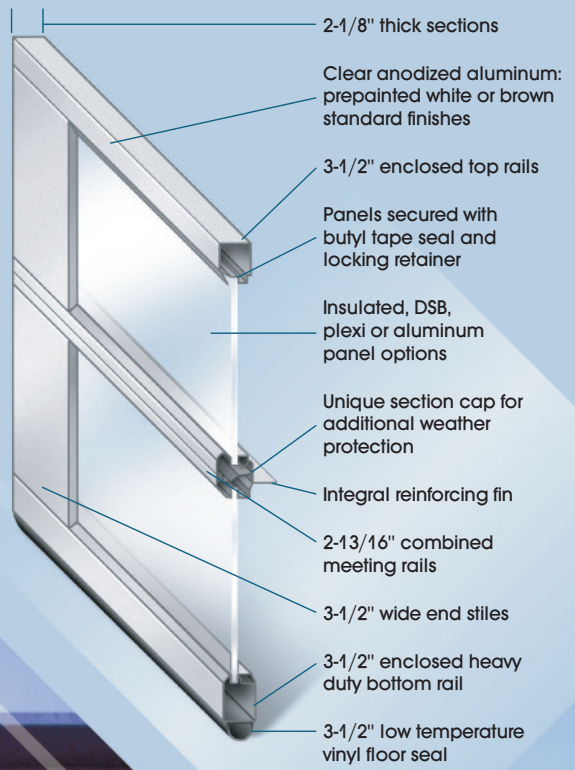

Durable Construction

- 2-1/8" aluminum frame provides a virtually maintenance-free, long-lasting door.
- Tongue and groove joint plus vinyl bottom weather seal with adjustable retainer help protect against the elements.
- Galvanized torsion springs are attractive and longer lasting.
- Integral reinforcing fin provides increased longevity.
